Hello, I mentioned at a previous managers' meeting that I would like to provide our priorities to OPA so that we can make sure that their resource allocations align with our activities for the year. Can you please use David's site assignment spreadsheet to highlight our highest need sites and also to note significant activities (such as Proposed Plans, field work, etc.)

ADs have a meeting on Thursday with OPA to discuss assignments. It has come up sort of urgently because of Exide.

Thank you!

Dana
